

Roiber Figueroa

Frontend Developer

I'm a front-end developer
I studied at Platzi through the Empoderatech scholarship where I graduated as a Web Programmer in the frontend area, passionate about technologies, the development of client-side applications using HTML, CSS, JavaScript and React.
Motivated, creative and innovative. Self-taught, passionate about learning and always firm in never stopping learning.

Skills:

- React
- Css
- Javascript
- Html
- Sass
- Git and Github
- knowledge in technical SEO
